Application Date: MM/DD/YY Area Treated: _____ sq ft

SINAK Corporation warrants that components of the VECT-R System are of the highest quality as measured by exacting manufacturing standards; and that, when applied according to SINAK's instructions, it will prevent flooring failure from alkalinity and/or moisture emanating from the concrete for a minimum period of 10 years from date of application. The VECT-R System must be applied in accordance with SINAK's written instructions; and must be applied by a Certified Applicator, or under SINAK's supervision.

Exclusions

This warranty does not cover failures from causes other than moisture and alkalinity originating from the treated concrete. Only adhesives or coatings that are chemically broken down or dissolved by concentration of alkaline salts or moisture originating from the concrete will be covered under the terms and conditions of this warranty. Conditions covered in Reference A, ACI Manual section 302, Chapter 11 – Causes of Floor and Slab Surface Imperfections, are not covered under this warranty. Concrete containing chloride admixtures are not covered under this warranty. All other admixtures must be used in compliance with Reference A, ACI Manual section 302, Chapter 5, part 5.7 – Admixtures. Topical intrusion of moisture or chemicals is not covered under this warranty. Improper installation, use or defects associated with preparation materials, adhesives, flooring goods or coatings are not covered under this warranty. Damage caused by movement of joints and cracks is not covered under this warranty.

Remedy

In the event of bond failure from causes covered by this WARRANTY, SINAK Corporation will provide materials and labor to retreat the affected area(s); including replacement of floor covering in the affected area(s). Retreated area(s) shall be covered for the remainder of the warranty period.
